Lions Turkey Shoot At Champion Oct. 28

Announcement is made in this issue of the annual turkey shoot sponsored by the Champion Lions Club, to be held Wednesday afternoon, Oct. 28, in the Champion community hall.

This popular event is always well attended and features trap shooting, rifle target shooting, bingo, pitch and other games. Prizes include turkeys, hams and chocolates.

Proceeds from the shoot are used by the Champion Lions Club for community projects.

Pearse-Hanson Nuptials Calgary

A pretty late afternoon wedding was solemnized at Bethel Baptist church, Calgary, recently, when Marlene Hanson, elder daughter of Mr. and Mrs. Harley Hanson, became the bride of Donald Pearse, son of Mr. and Mrs. C. Pearse, Calgary. The ceremony was performed by the Rev. William Laing.

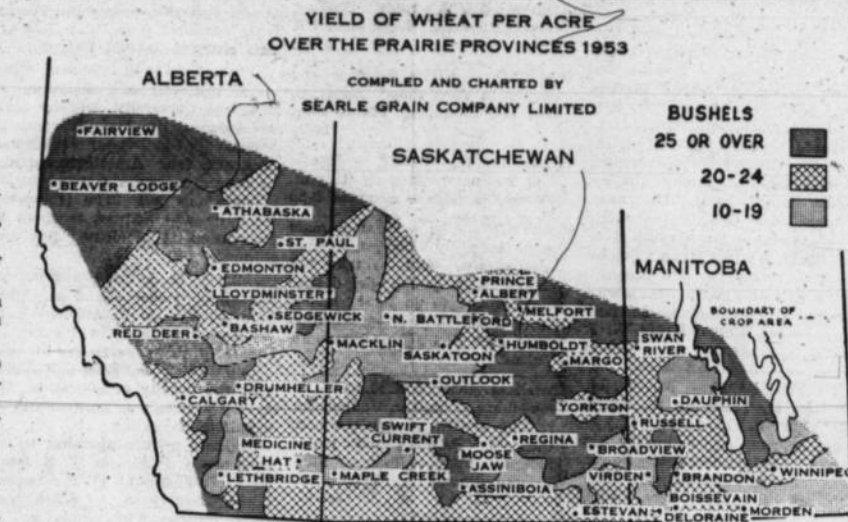

Escorted to the altar by her father, the bride wore a gown of ivory satin, with lace panelled skirt, vertical pleated bodice and lily point sleeves. Her finger-tip veil was edged with lace and was held in place with a Juliet cap trimmed with seed pearls. She wore the groom's gift of a ruby and rhinestone pendant, and a brooch worn by her grandmother Hanson, as a gift from her groom on their wedding day 49 years ago. A cascade bouquet of American Beauty roses was carried on a white Bible which had been a graduation gift from an uncle and aunt, Mr. and Mrs. Oliver Anderson of Bellingham, Wash.

The maid of honor, Miss Donna Hanson, sister of the bride, and bridesmaids, Miss Fern Ruggles and Miss Jean Sim wore taffeta gowns of identical mode in shades of pale blue, pale green and blush pink and carried carnations in shades of pink.

The little Misses Lynell Fulton and Jaque Kidner, cousins of the bride were flower girls, with Lynell wearing a mauve nylon net gown, and matching halo headress, and carrying a basket of yellow carnations. Jaque was gown in yellow net over taffeta and wore a matching headress. She carried a basket of mauve carnations.

Don Harbridge of Calgary was best man while Bob Steinson and Paul Cook also of Calgary were ushers.

The chart printed above reveals the yields per acre for this present crop of 1953. This is the third crop in a row of high yields and it is interesting to note that there are very few areas where the

yield has been under 10 bushels to the acre, and that over large areas the yield has been over 25 bushels. In general the grain will be free from frost, and only a small per

cent ought to be tough or damp, this owing to the exceedingly unexpected fine weather with bright sunshine, that prevailed during the month of September.

Albert Chambers Dies Suddenly

Albert W. Chambers, well known Vulcan resident, died suddenly of a heart attack at his home Monday evening. He was 54 years of age.

Funeral services will be held at the Church of Christ on Friday, Oct. 23, at two o'clock, conducted by J. R. Chapman.

Bridal Shower For Miss Elaine Love

The Church of Christ parsonage was the scene of a bridal shower on Monday evening in honor of Miss Elaine Love, whose marriage to Wallace Howlett, student of Alberta Bible College, will take place in Calgary, Nov. 6.

Various contests were led by Muriel Smith, which created quite a merriment.

The bride to be was seated in a decorated chair with bell and streamers over her head. The gifts were then brought in in a wagon decorated as a pulpit and drawn by Sharon Chapman, dressed as a groom and Gail Gonyea dressed as the bride. Myrtle Haydamack presented the gifts and expressed the best wishes for a happy future life on behalf of the group. Assisting Elaine in opening her gifts were her mother, Mrs. Willard Love and Miss Mae Kole.

Many beautiful and useful presents were then opened after which Elaine suitably expressed her thanks. A delicious lunch was served by the ladies of the church and Mrs. Deans closed in prayer.

Large Enrollment Expected

played the wedding march and accompanied the church soloist, Miss Ruth Birch, who sang "Because" and the "Wedding Prayer."

The reception took place at Berean Bible college. Gerald Fowler and Marvin Dishaw rendered numerous piano selections and Miss June Bergun gave two accordion selections and sang a solo.

Rev. R. Hawks, pastor of Black Diamond Gospel Chapel proposed the toast to the bride to which the groom responded.

Out of town guests were: Mrs. L. Patterson, Creston, B.C., grandmother of the bride, Mr. and Mrs. Ralph Huller, Trochu; Mr. and Mrs. Gibson, Luke, McNabb and Tommy Robert and June Bergan, Edmonton; Mrs. R. Ruggles, White Horse, Yukon; Miss Margaret Hanson, Mrs. George Fulton and Lynell, Vulcan; Mrs. W. Kidner and Jaque and Patty, Lethbridge; Mr. and Mrs. Doug Bruce and Dale of Ma Me O Beach; Mrs. Violet Burns Stettler; Mr. and Mrs. Roy Sim and Glen; Mr. and Mrs. Pell and Gordon, Mrs. Adams, Mrs. Andrews and Mrs. Robert Loughheed all of Banff, Creston and Spokane, Wash., returning via Glacier National Park to Vulcan.

The young couple will make their home in Calgary.

Honorary Colonel to Inspect Unit

Highlanders Presentation Parade Here on Sunday

The first battalion parade of the Calgary Highlanders to ever be held in Vulcan will be on Sunday, Oct. 25, when "Exercise Presentation" will be here that afternoon.

Troops from the local company of the Highlanders will be joined on this occasion by members of the unit from Calgary and Staveland and Col. Eric L. Harvey, honorary colonel of the regiment, will accompany Lt. Col. Mark Tennant, commanding officer, to carry out an inspection and to present recently awarded long-service and other medals to several members of the unit and to other recipients.

The inspection and the presentation of medals will take place in the vicinity of the Armouries, starting at three o'clock p.m. and will be followed by a parade to the Cenotaph in the Memorial Park, where Col. Harvey will lay a wreath in honor of the war dead of Vulcan and district, and a short service will be conducted by the unit's Protestant and Roman Catholic padres.

Following the service the parade will proceed to the I.O.O.F. hall, with Col. Harvey taking the salute from a platform in front of the Carson Block. At the hall, a banquet will be held for all members of the unit and several invited guests.

The famous Calgary Highlanders pipe band will be present for the occasion and will lead the parade to the Cenotaph and back.

Story of Blind Presented on Film

"Our Eyes Have Busy Fingers", one of the most touching pictures filmed for a long time and telling the vivid story of the Canadian National Institute for the Blind in action, was shown in the United Church basement Oct. 14 under the auspices of the local branch of the CNIB.

The movie gave an impressive survey of the work done by CNIB for blind people in the various departments of the institute. All sequences were taken in Calgary, and all actors are blind with the exception of one boy.

The rehabilitation of the blind, the training they receive in occupational workshops — making baskets, rubber mats and doll furniture, doing fine weaving and polishing furniture — is demonstrated in a stirring way. They learn to read Braille and Moon embossed printing so that they are able to use the 22,000 volumes in English, French and most other European languages made available to them through the CNIB library department in Toronto and giving new impetus to their lives.

The placement officer of the organization, himself without sight and therefore, understanding best their problems, helps to provide the most suitable jobs for the blind.

Shower Honors Miss Ethel Hilz

Prior to her wedding in Calgary last Saturday to Mr. B. Lynch, Miss Ethel Hilz was the guest of honor at a miscellaneous bridal shower, held at the Dave Schierman home, when Miss Ruth Brett and Mrs. Bill Hilz Jr. were hostesses.

A very happy social evening was enjoyed, with two interesting contests, vocal solos by Mrs. Lillian Lancaster and sing-songs by the guests.

Some 25 friends of the popular former Vulcan girl were present, and a gaily decorated basket, laden with gifts was brought in and presented to the bride-elect by Mrs. Eileen Granlin on behalf of those assembled.

Ethel was assisted in opening the many colorfully wrapped parcels by her mother, Mrs. W. Hilz Sr. of Calgary and by Mrs. T. Lynch, mother of the groom. She very graciously thanked her friends for the kind wishes expressed and gifts for her new home.

A dainty lunch was served by the hostesses, assisted by some of the girls present.

THE WEATHER

Fine weather has prevailed for the past week except Tuesday evening, when light rain fell for about two hours. Skies were again clear on Wednesday. Harvesting in this area is completely finished.

Curtail Road Work Expenditure

Regular Meetings of County Committees Held

Vulcan County Councillors held their Municipal, School and County meetings at the County office last week. The School committee met on Tuesday, Municipal committee on Thursday evening and the County Council on Friday. Owing to the fact that the councillors had been very busy during the harvest season, no meetings were held during the month of September.

Routine business principally was transacted. At the school committee meeting, the members reviewed arrangements which had been made for vanishing pupils to the various schools. A report was given by the Superintendent to the effect that the teacher who had been engaged to conduct the Ensign school had not been able to continue in her work and owing to the fact that it was impossible to engage another teacher, it was decided to van the children from the Ensign school to the Brant school district. It was noted that this arrangement was working out very satisfactorily.

The Committee decided to maintain as long as possible the 9:00 o'clock opening hour this season.

A motion to authorize the sale of a furnace from the Harmony School to the Carmangay Hospital Board was passed. The amount asked for the furnace was \$75.00.

A motion was passed to appoint the delegates to the Alberta School Trustees' Convention which is being held in Calgary on November 3, 4 and 5. Those delegated to go were Mr. McKay, chairman of the committee, Mr. Matlock and Mr. Smith. The Secretary-treasurer and Superintendent were also instructed to attend.

The board discussed a letter received from the Workmen's Compensation Board in respect to the matter of including school teachers under compensation. This matter was left until after the Trustees' Convention for definite action.

The Board passed a motion to pay students from the Arrowwood School District tuition at the usual rates set in the School Act and \$1.00 per day in lieu of transportation on students who are taking Grade XII courses which are not being supplied in Arrowwood this year.

The Committee reviewed the progress which is being made by the contractor in the erection of the new Vulcan High School, and anticipated that the building, or a part of the building, would be ready for occupancy soon after the first of the year. A sub-committee was set up to arrange for the purchase of necessary furniture for the building.

Municipal Meeting

The Municipal Committee met on Thursday night and discussed in detail the progress of the Public Works Program and the amount of work which is being done this year. The Secretary-Treasurer reported to the Committee that expenditures had reached the figure in the 1953 budget and it was necessary to curtail the amount of expenditures from now until the end of the year. Committee members felt that the work now in progress and unfinished should be completed if possible during the fine weather. Public Works Supervisor, J. A. Lang, assured the committee that the Provincial Government grant work was well in hand and would be completed within the next few days. Instructions were given to the Supervisor to cut down on the Public Works staff at once as much as possible in order to reduce the amount of expenditures.

County Meeting

The County Council held its meeting on Friday, Oct. 16 and dealt with various routine matters. A motion was passed to appoint each Councillor a delegate to the convention of the Alberta Municipal Districts' Association being held in Edmonton, Nov. 18, 19, 20.

A By-Law authorizing the sale of Lots 9 and 10 in Block 2 Queens town to E. G. Kingsmith for the sum of \$50.00, was passed subject to the approval of the Minister of Municipal Affairs.

A by-law authorizing the sale of Lot 23 Block 1 Queenstown to Martin Laid for the sum of \$25.00 was also passed subject to the approval of the Minister of Municipal Affairs.

Services Held For Mrs. Peter Manylyk

Last rites for Mrs. Jean Elizabeth Manylyk were held at the Vulcan United Church on Thursday, Oct. 15, conducted by Rev. J. S. Clarke.

A resident of Los Angeles, Calif. for the past year, Mrs. Manylyk was the daughter of Mr. and Mrs. Clare Dunham of Vulcan. Her death, at the age of 27 years, was very sudden and unexpected and a large number of friends and relatives from many parts of the country gathered at the church Thursday to pay their last respects to the popular young woman.

Born at Vulcan, Mrs. Manylyk attended school here and was then employed at the Vulcan Branch of the Canadian Bank of Commerce. She transferred to Drumheller and then to the Yellowknife branch of the bank. In November, 1948, she married Peter Manylyk of Yellowknife and the young couple lived there until moving to Los Angeles a year ago.

She is survived by her husband, Peter Manylyk of Los Angeles; her parents, Mr. and Mrs. Clare Dunham of Vulcan; four brothers, Melbourne of Calgary and Ronnie, Gary and Brian at Vulcan; two sisters, Mrs. Helen Thomas of Wellington, B.C. and Mrs. Marian Wheatley of Calgary.

Pall-bearers for the funeral were Victor Rushfeldt, Joe Rushfeldt, Victor Fulton, Burnell Drummond, Edward Arney Jr. and Neil Giles. Burial was made in the Vulcan cemetery.

Dr. David Nicol Opens Dental Practice in Calgary

Dr. David Nicol, dentist at Vulcan for over 14 years, left this week for Calgary, where he has opened a practice at 33 Ave. and 21 St. S.W. in the Marda Theatre Bldg.

A graduate of the University of Alberta, Dr. Nicol purchased the practice of the late Dr. H. N. Heal at Vulcan in 1935. In 1942 he joined the Canadian Army and served for four years in the Dental Corps with the rank of captain. At the end of the war he returned to Vulcan and re-opened his dental practice here and has resided here since that time.

An enthusiastic and active sports man, Dr. Nicol is past president of the Vulcan Tennis Club, past president of the "Vulcan Golf Club, past president of the Vulcan Baseball Club and was an active member of the Curling Club. He is also a Past Exalted Ruler of the Vulcan Lodge, B.P.O. Elks.

Dr. Nicol is also well known for his ability as a violinist and was a member of the Vulcan Concert Orchestra and the Vulcan Little Symphony during the years when those organizations flourished. The Little Symphony was a winner at several provincial music festivals.

Mrs. Nicol and their three young children will remain in Vulcan pending the sale of their home here. The eldest daughter, Ruth, is now in training as a nurse in Calgary.

Dr. Nicol's dental office in the Bruce Block has been taken over by Dr. G. H. Gibb of Medicine Hat, who will open a practice here on Nov. 2.

Lillian White Wins Efficiency Award

Miss Lillian Popoff, district home economist, announced last week that Lillian White had been named efficiency winner in the Nanton 4-H Garden Club this year. The award was made on the basis of exhibits presented at the achievement day, general standing in club work and contribution to the work, a good garden plot and project book and entitles the winner to a week at Olds agricultural school next summer.

Miss White's project book was considered exceptionally good and she received special awards for it and her table display. Her garden plot was the best cultivated of the 85 4-H plots she had judged in Southern Alberta, according to N. H. Bell of the Wheat Pool.

Vote For Tower

Ratepayers of the town are reminded of the vote on the by-law to provide for the addition of a water tower to the town's water system. The vote will be held on Monday, Oct. 26, in the old town office, from 10 a.m. to 7 p.m.

The need for ratepayers to turn out and pass this by-law with a good majority is clear. The town has grown and is growing so rapidly that adequate pressure cannot be maintained in the water system. Pumps are required to work at top speed during the peak demand hours, resulting in undue wear and strain and over-working of the wells from which we get our water. A water tower will provide the back-log needed to meet peak demand periods and will give better and more even water pressure.

It is proposed to borrow \$47,800 at 3 1/4 percent to cover the cost of this tower. The surplus from the water system should be able to carry these additional year ly payments without raising taxes.

A majority of two-thirds of the ratepayers voting is needed to approve this by-law. For the good of your town, vote in favor of this bylaw on Monday.

A Dangerous Sport

Shooting is a dangerous sport and it is a wonder that there are not more serious accidents each autumn when open-season is declared on migratory and up-land birds. Hundreds of amateur marksmen, tramping around the countryside armed with lethal weapons, are potentially a source of tragedy.

One of the most dangerous practices is the carrying of loaded shotguns in cars, while sportsmen drive along highways searching for the elusive pheasant or covey of partridge. When caught, they are subject to a fine, but the habit cannot be stamped out by legisla- tion against it.

More local gun clubs and skeet-shooting organiza- tions could do a great deal by educating hunters, young or old, in the handling and use of firearms. The only difficulty is that such groups are rich men's hob- bies and the average hunter cannot afford to bang too many dollars worth of ammunition at clay pigeons.

We'll just have to trust to luck that the "other fellow" doesn't take an accidental potshot at us and that we, ourselves, will firmly remember the common sense rules of handling our old 12-gauge.

Teachers Conven- At Calgary

Largest of sixteen teachers con- ventions being held throughout Al- berta this year is scheduled for the Fallis hotel in Calgary, October 29 and 30, according to Eric C. An- sleigh, general secretary-treasurer of the Alberta Teachers' Association, convention sponsors. Mr. Ansley stated that the convention will at- tract teachers from 12 A.T.A. lo- cals situated around Calgary.

Dr. Lawrence G. Thomas, asso- ciate professor of education at Stanford University, will be fea- ture speaker. Dr. Thomas is one of seven educationists—three Cana- dians and four Americans—invited to address teachers' conventions in Alberta this fall. The following week he will address teachers in convention at Medicine Hat and Hanna.

Hon. A. O. Aalborg, minister of education, is also slated as a fea- ture speaker. A. A. Aldridge, su- pervisor of guidance, will speak on behalf of the department of edu- cation and S. Hampson will re- present the faculty of education. Mr. Ansley will address the teachers on behalf of the A.T.A.

Superintendents planning to at- tend are K. P. Crispo, W. R. Dean, G. F. Hillinshead, O. P. Larson, C. M. Lavery, A. L. Schrag and G. L. Wilson. They supervise the teachers in the school divisions concerned.

The hourly rate for construction workers in Canada stands at 142.4 cents an hour.

A MISSION

Consisting of special prayers and instruction, will be conducted by Rev. Father Richard Griffin, O. M.I., former parish priest in Leth- bridge, in St. Andrew's Church, Vulcan from Sunday, Oct. 25 to Wednesday, Oct. 28 inclusive; and in the Catholic Church at Champ- ion from Thursday, Oct. 29 to Sunday, Nov. 1 inclusive, at 7:30 p.m. each day. Mrs. Margaret Larkins spent the Thanksgiving weekend with her son-in-law and daughter, Mr. and Mrs. C. Collison in Claresholm.

Mr. and Mrs. George Moses and Billy were recent visitors with relatives in Drumheller.

Harold Stephenson was a Calgary visitor during the recent holiday weekend.

Mr. and Mrs. Gerald Matlock left on Wednesday of last week to spend the winter months in Los Angeles, Calif.

Mrs. Viola Rhodes spent several days last week in Calgary, to be with her mother-in-law, Mrs. Geo. Rhodes.

Mrs. Frank Little was a patient in the Vulcan hospital last week. Mrs. George Smith, accompanied by Mrs. Latiff and Mrs. Orr were Lethbridge visitors on Thursday of last week.

The farm home of Mr. and Mrs.

John Carlson, northeast of Champion, was endangered by fire Friday, Oct. 16, when a grass fire jumped the fire guard. Several granaries full of wheat were in close proximity, and the fire crept beneath one of them. The arrival of the fire truck from town relieved the situation and the fire fighters were able to get at the danger with the equipment.

D. Hegland is a patient in the Carmangay Hospital.

Mr. and Mrs. Albert Orcutt recently had as their house guests, Mr. Orcutt's nephew and family, Mr. and Mrs. Glen Silsbe and family of Prince Rupert.

Mr. and Mrs. H. C. Jopling have left for an extended holiday in Inkster and Cando, North Dakota. These are Mr. and Mrs. Jopling's birthplaces and they haven't been there for nearly 40 years.

Mr. and Mrs. Alex Latiff and family of Staveland were Sunday visitors at the home of Mrs. Libby Latiff.

Mr. and Mrs. George Moses were Thanksgiving visitors in Drumheller.

Harold Stephenson was a Calgary visitor during the Thanksgiving weekend.

Mr. and Mrs. C. G. Miller accompanied by Miss Gordon and Miss E. Reath were Lethbridge visitors on Saturday.

Thanksgiving visitors at the home of Mr. and Mrs. Vic Ferguson were Mr. and Mrs. Reg Johnson and children, Mr. and Mrs. Kenneth Fath and baby and Mr. and Mrs. Vogel, all of Ponoka, and Mr. and Mrs. Gordon Johnson and baby of Red Deer.

Mr. and Mrs. C. J. Versluis were Lethbridge visitors on Saturday.

Sunday visitors at the Stan Matlock home were Mrs. Matlock's parents, Mr. and Mrs. J. Tolman of Turner Valley.

Gary Stewart spent the weekend with his grandparents, Mr. and Mrs. Miller.

Mr. and Mrs. Art Fisher and family were Lethbridge visitors on Saturday.

Miss Janice Buchan underwent a tonsillectomy one day last week in the Carmangay Hospital.

Mr. and Mrs. Gatenby were Pincher Creek visitors this week.

Mr. and Mrs. Alf Rupp were Lethbridge visitors on Tuesday of last week.

Mr. and Mrs. Storey and daughter of Fort Macleod were Sunday visitors at the home of Mrs. Storey's brother and sister-in-law, Mr. and Mrs. Jess Matlock.

Mr. and Mrs. George Hartung and family were visitors to Calgary on Saturday.

Mr. and Mrs. Alex Hartung were visitors to Calgary on Sunday.

CARD OF THANKS

We wish to express our heartfelt thanks to all the people who turned out to help put out the fire on our farm. Also a special thanks to the Champion Fire Department.

Wait, Lady—

It will go faster if you do these three things...

1. ADDRESS YOUR MAIL CORRECTLY—Write clearly and give COMPLETE address; include Postal Zone Number in Quebec, Ottawa, Montreal, Toronto, Vancouver.

2. ADVISE YOUR FRIENDS of your correct address (and zone number if applicable)—especially if you have moved to a new address. Get the habit of including your return address on top left corner of envelopes or parcels.

3. WRAP PARCELS SECURELY—tie with strong cord—and put on sufficient postage. When in doubt have your Post Office weigh parcels and letters and avoid double postage due.

Keep the following information readily available for reference when you mail

LETTER MAIL

1st Class requires: Local delivery, 3¢ for the first ounce, 1¢ for each additional ounce; out-of-town (Canada, U.S., and all other countries of North and South America, British Commonwealth, France, Spain) delivery, 4¢ for first ounce, 2¢ for each additional ounce. Air Mail (domestic), 7¢ for first ounce, 5¢ for each additional ounce. (Inquire at Post Office for airmail rates to other countries.)

PRINTED MATTER

Cards, circulars, etc., entirely printed—when addressed to individuals by name—2¢ for the first 2 ounces, 1¢ for each additional 2 ounces. When such mail is addressed "To Householder" (not by name) it requires 1½¢ for the first 2 ounces, and 1¢ for each additional 2 ounces.

NEWSPAPERS or PERIODICALS

mailed by individuals to places in Canada, U.S., or Mexico require 2¢ for the first 4 ounces and 1¢ for each additional 4 ounces. CANADIAN newspapers and periodicals may also be mailed at same rate to other places in the Commonwealth, North and South America, France and Spain.

PARCELS

Play safe! Have your nearest Post Office weigh them. You can now send Air Parcel Post up to 25 pounds in weight. Ask about this fast air delivery service!

GOVERNMENT BUSINESS

INDUSTRIES & LABOR

The ALBERTA LABOR ACT ranks among the most progressive acts of Labor Legislation in Canada, through establishment of:

- ☆ The Board of Industrial Relations to determine Hours of Work, Minimum Wages, Holidays with Pay and Conditions of Work, satisfactory to employer and employee.
- ☆ The Alberta Apprenticeship Act Provides young men with training in various trades — described as a "model" for all Canada.

Alberta LABOR BENEFITS by:

- ☆ A Reduced Work Week
- ☆ Increased Minimum Wages
- ☆ Increased benefits through the Workmen's Compensation Act. Farm and ranch workers may also be brought under the benefits of this act.
- ☆ Safety legislation of the Factories Act to reduce working risks.

RESULTS: There is industrial peace in Alberta. Labor and management have co-operated, have confidence in each other and in the administration to produce an industrial harmony that has become a tradition.

Lomond Pioneer Family

Reunited After 25 Years

A family reunion of the Booth family, pioneers of the East Lomond district was held recently at the home of a granddaughter, Mrs. Leonard Huff.

The family came to the district with their parents in 1909 from Dunseith, North Dakota, by means of oxen and covered wagon, and homesteaded nine miles east of Lomond. After being scattered through out the country for the past 25 years they were reunited this fall. The parents have passed away, also one brother Clarence of Lomond, and a sister Edith Foe of the Reid Hill district. Of the remaining brothers and sisters the following reunited: Ralph of Tilly, Cliff of Lomond and Forrest of Vulcan and three sisters, Mrs. J. Stannard of Red Deer, Mrs. C. Hunter of Buffalo Creek, B. C. and Mrs. J. Conklin of Mirror, Alta. One sister, Mrs. H. Hadley of Pomona, Calif. was absent.

The descendants of this pioneer family are 7 children living, 24 grandchildren, one having died, and 30 great-grandchildren.

Research Pays Its Way

The following information was received from E. B. Swindlehurst, Research Information Editor, working in co-operation with the Department of Animal Science at the University of Alberta.

At the University of Alberta, nutrition plays and important part in the experiments of the Department of Animal Science. The work of Dr. D. R. Clandinin and his staff in correcting and improving a variety of poultry rations is reducing losses and increasing the income of Alberta and other poultry raisers.

One of the problems recently solved dealt with serious poultry mortality and lack of thrift. Raising turkeys in confinement has its advantages, but the problem arises that every single nutritional requirement must be provided. If any are missing, trouble results.

Five or six years ago, poult deaths of up to 30 to 40 percent were frequent in Alberta. Skin troubles, broken feathers, crooked legs and diarrhoea were prevalent. The condition increased in severity as the season progressed and heavy losses in groups of late hatched poult were common. Slow growth rate and lack of uniformity in the groups also occurred.

Faced with this problem, the Poultry Division staff began their search for a solution. They recognized the importance of nutrition in defects of this kind. They also appreciated the similarity between the problem at hand and symptoms previously met of B vitamin deficiency in chick and poult starters.

A practical poult starter was made up, which included not only the vitamins A and D in required amounts but the B vitamins riboflavin, niacin, and choline. These proved insufficient and it was not until further additions were made that the problem was solved. Two others of the B vitamin complex proved to be the missing needs. When, in the form of calcium pantothenate and biotin, they were added to the ration in recommended amounts, poult free from abnormalities were raised and mortality was reduced to two or three per cent only.

With the problem solved, the recommendation was passed to the manufacturers, their co-operation solicited, and a better product for the poultrymen provided.

Easier starting
Less engine wear

with
Marvelube 5W
the "WINTERIZED" Motor Oil

Marvelube 5W is especially made to be "fluid" at below zero temperatures. Not only does your engine turn faster—start easier, with less battery drain—but you reduce metal-to-metal wear during the critical warm-up period.

When weather turns warm there's no need to worry about engine protection because Marvelube 5W is processed to resist thinning.

Marvelube 5W is highly detergent, and is "tough" in every way. It fights low temperature corrosion which can be a serious cause of winter engine wear.

Use Marvelube 5W for trouble-free driving—longer engine life.

BRANT

On October 15 there were nine members of the CWL present at the home of Mrs. Druhal. Meeting opened by the League prayer followed by roll call and minutes. Members were pleased to hear from the president that Mrs. Leitch of High River had kindly offered to speak to them at the next meeting on the subject of "A Retreat at the Retreat House at Cochrane." A letter of thanks was read from the Lacombe home for fruit and vegetables which were sent. A letter was read from the Vulcan Library Board, but members felt that they were not in a position to donate to this cause. Final plans were made for the tea and bazaar. At the close of the meeting some time was spent in pricing the articles of sewing for the bazaar. Mrs. Druhal assisted by her daughter Margaret, served a delicious lunch. Mrs. N. Flebotte won the hostess gift.

The Home and School Association met Wednesday evening, Oct. 14 with 32 present. The president, Mrs. Emmekamp was not able to attend. The vice president, T. Olsen took charge of the meeting. The president, Mrs. Emmekamp was voted to be the delegate to the work shop in Banff to be held Oct. 19-23. After the business meeting, lunch was served in the home economics room in the basement of the school. The serviteurs were Mrs. Burley, Mrs. Kaapp and Mrs. Gallagher.

Mr. and Mrs. Bert Young from Bancier, Calif., were Brant visitors on Sunday.

Mr. and Mrs. Jack Rhodes and baby daughter from Lethbridge spent the long weekend visiting the former's mother and father, Mr. and Mrs. I. Rhodes, and Mrs. Jack Rhodes mother, Mrs. E. Walbeur.

Mrs. D. Christie and baby daughter from Lethbridge spent the weekend visiting her mother, Mrs. E. Walbeur.

Mr. and Mrs. Bob Parker of Brant accompanied by Mr. and

Mrs. H. S. Parker visited in Ensign. They are on their way to Kansas City to visit the later's daughter, Rev. and Mrs. Shidler.

Albert Peterson from Lethbridge spent the weekend visiting Mr. and Mrs. S. Graham.

Mr. and Mrs. Gordon Thompson and family motored to Lethbridge to shop and then on to Diamond City to visit the former's mother and father, Mr. and Mrs. Thompson and also Mrs. Thompson's grandparents, Mr. and Mrs. Goodrich.

Mr. and Mrs. E. Prater motored to Lethbridge Saturday to shop and spent the weekend as guest of Mr. and Mrs. P. Vian of Lethbridge.

Mr. and Mrs. B. F. Sellars motored to Lethbridge Saturday to shop and then to Coaldale where they spent the weekend as guest of Mr. and Mrs. Claude Shrumm and family.

The Brant CWL Tea and Bazaar will be held on Oct. 29 from 3 to 5 p.m. in the Brant Community Hall.

Miss Arlene Parker from Mount Royal College, Calgary spent the weekend at home visiting her parents, Mr. and Mrs. Brant Parker. Misses Arlene Ball and Wilma Burley from Composite High in Red Deer are home for the long weekend due to the teachers' convention at Red Deer.

We are sorry to hear that Mrs. Wheatley, Mrs. Burley's aunt from Barwiche, Ont. is a patient in the High River hospital.

MAJORVILLE

The October meeting of the Lutheran Ladies' Aid was held at the home of Mrs. G. Heather. About 20 members and visitors were present. The singing of "What A Friend We Have in Jesus" opened the meeting. This was followed by praying the Lord's Prayer. Discussion centering around the annual bazaar was held over until the next meeting as at the present time it is difficult to set a date. Too many other community affairs surrounding the

district have been planned.

It is expected a missionary will be holding meetings during the week of Nov. 10-12 and it is hoped she may be able to attend the next Aid meeting.

Mrs. Preatice reported that the special collection taken at the Sept. meeting amounted to \$32.42 and this amount was sent to the mission headquarters.

Mrs. G. Heather will try to attend the worker's conference to be held in Calgary during November.

A letter from the Lutheran Seamen's Home in San Francisco was read. It was an appeal for funds to help make Christmas a little happier for Scandinavian Seamen who can't be home for the Christmas season. A resolution to send the October collection to this fund was passed.

The meeting closed with a hymn followed by a prayer by Pastor Evanson. A lovely lunch served by Mrs. Hap Heather Mrs. Bob Unschild and Mrs. A. Heather was much enjoyed by all. Mrs. Chas. Anderson will be hostess at her home in Milo for the November meeting.

We would like to send our congratulations to Mr. and Mrs. John Ueland on the birth of a son in the Vulcan hospital on Sept. 12. The new arrival's name is Jimmie.

Mr. and Mrs. Russ Mills traveled by plane to High River to visit with their son-in-law and daughter, Mr. and Mrs. Lloyd Peterson.

Mr. and Mrs. Gene Jones and family were guests over the long weekend at the home of Mr. and Mrs. Bartsch.

Of interest locally is the birth of a daughter to Mr. and Mrs. Jack Hunter (nee Phyllis Prentice) of Ensign.

Mr. and Mrs. Art Kisinger and family of Lacombe were guests over the Thanksgiving holiday at the Miles Clemmons home.

The middle of October still like summer, only difference is it is dark by supper time. Residents of Majorville are still picking green peas from the garden and the other day Mrs. Francis found some ripe strawberries on the vines and reports more green ones set on.

Shooting ducks has been a favorite pastime lately. A few fields in the South East corner where the hall was really heavy are still in swath and ducks have been coming in night and morning. They are persistent varmints and in spite of being shot at twice a day, come back for more.

Bassano, Brooks, Enchant, Rosemary and other points east were the destination of carloads of pheasant hunters last Monday. Some report good shooting, other hunters were disappointed. Too many hunters seems to be the complaint. Mr. and Mrs. Winch and family, Mr. and Mrs. Bob Scott, John Bartsch, Jay Bartsch and Collin Campbell were among the Majorvillers who tried their luck on Monday.

Mrs. L. Ivers accompanied by Miss Alda Lewis of Claresholm who was her guest for Thanksgiving, visited with Mrs. R. Mills on Monday afternoon.

Mr. and Mrs. G. Heather and Joanne were visitors to Enchant on Sunday. George stayed over for a day with his son-in-law and daughter to get in some pheasant hunting. Had some luck too.

Mrs. S. O'Leary has been a guest during the past week of her brother and sister-in-law, Mr. and Mrs. V. Bertrand.

Confusion, Chaos, and chicken carcasses, such features seemed to dominate the kitchen of the Milo IOOF hall on Saturday evening but it was just the end of the annual FWUA chicken supper. By all accounts it was another success although at present just how much money was made isn't known but for two hours the ladies were kept busy waiting tables and pouring coffee and tea. Many diners took the time and effort to tell a member how much they had enjoyed their supper but to the members it is an undertaking well off the list of things to be done although it could be said all enjoy it to some extent. This year much of the chores of the supper were lightened by the use of the dishes and cutlery from the kitchen of the new school. It never was an easy task to separate so many knives and forks and gather up personal plates and cups.

A hearty thank you is tendered Ross Bertrand who so willingly undertook the task of carving chicken.

Last year 31,354,139 tons of freight moved through Canadian canals. This was record volume. The average Canadian family spends better than \$82 annually on health services.

We extend our sympathy to Mr. and Mrs. Dayton Williams on the death of their infant daughter in the Vulcan hospital last week.

MIL0

On Friday Oct. 16 some 150 people met in the school auditorium for the general meeting of the Milo Home and School and for the program which followed. Mrs. Con Peterson was elected to head a group to engage in listing all preschool age children in the district who will attend this school in the future. This is to enable Mr. Schragg to foresee future school accommodation. The association delegate for the workshop at Banff is Mrs. Winnifred Oldfield. Mrs. Eva Ivers will accompany here. Our membership convener has selected the following room mothers for this year: Mrs. W. Kishka to assist Miss Hedin; Mrs. Roy Page and Miss Befus; Mrs. R. Bertrand and Mrs. McCormick; Mrs. L. Ivers and Mrs. Hough; Mrs. L. Beckner and Mr. Carson; Mrs. Chester Thompson and Mr. Wheeler; Mrs. J. Desharnais and Mr. Clarke.

Mrs. Spokes is taking individual membership for the Home and School Newspaper. A very interesting program was presented with Larry Nixon and Shirley McMillan taking part. These two students were part of a group selected to attend the United Youth Pilgrimage at United Nations headquarters last summer. This pilgrimage was made possible by the IOOF lodges of the surrounding districts. Howard Nixon was introduced to the audience and gave the theme

of the program to follow. Larry Nixon then took over with slides and talk of the cross country trip to New York and back.

Miss Shirley McMillan delivered a very interesting talk on her trip her purpose in going, what impressions she derived from this pilgrimage and with her talk placed in our memories a very impressive picture of some of the ways and manners that discussions were carried on over there, the different people who she met, their mannerisms and so forth. To get the real theme of this trip you personally have to hear these young speakers who spoke so aptly and whose talk was so interesting.

The slides presented by Larry Nixon were very good and really enabled us to follow the trip through Thank you Larry and Shirley, we all enjoyed your program very much.

Following this part of the program the high school drama students presented a very humorous skit entitled "Dog Tricks". Taking part were Murray Phillips, Maureen Robertson, Jay Bartsch. This was very well done and produced many laughs. Thank you, our future actors of tomorrow. At the conclusion of the program our social convener and her group served a lovely lunch to all. The next executive meeting is at the home of Mrs. Lawrence Phillips on Thursday, Nov. 7 at 8 p.m.

The next general meeting is to be held at the school on Thursday, Nov. 12 at 8. Everyone is welcome to attend. We have a new group of students from the Reid Hill district this year and all the parents and their friends from this district are especially welcomed to attend our meetings. Our program for the November meeting is on "Children's Reading."

Good books for children of all grades will be on display and also sold at this time. This is on way to solve some of your Xmas shopping. So let's all look forward to meeting again on Thursday, Nov. 12 at 8 in the school.

Maybe you should cut this ribbon!

Of course, when a new bridge or highway is completed, it's traditional for some prominent citizen or government official to cut the ribbon in the opening ceremony. And yet . . .

Often this honour might be awarded with good reason to any one of the nation's life insurance policyholders.

Why should they deserve this distinction?

Because it is their premium money, part of which is invested

for them by life insurance companies, which makes it possible to build many such useful public works. Not only roads and bridges, but electrical power stations, waterworks, stores, homes, office buildings and industrial plants are built with the help of life insurance dollars.

So here's to the life insurance policyholders! While they provide financial security for their families and themselves, they also help make Canada a better land to live in!
